

Welcome to the ForzaDash | MSP Influencer Women of the Channel – 2026

Recognizing the women leading, innovating, and shaping the future of the MSP channel.

The MSP ecosystem is built on leadership, collaboration, and innovation—and women across the channel are driving meaningful impact every day.

This award celebrates those making a difference across organizations, communities, and the industry as a whole—from executives and technical leaders to marketers, operators, and community builders.

Whether you're nominating yourself or someone else, this is an opportunity to recognize the contributions, achievements, and leadership shaping the future of the MSP space.
